### APPLICATION CONDITIONS:

Phd students interested in suggested sessions could apply for the grant 1000 Eur.

- The candidate must submit a complete fellowship application form (application online) under Project website before the appropriate fellowship application deadline 2026.02.28;
- All applicants are required to have completed their exams of Phd Studies, stated by their home institution;
- The selected applicant must agree with public reporting about the selection of him/her for the award.

### APPLICATION FORM:

Applications should be sent through the internet, including candidate CVs and summary of research activities. Link to the application form: <https://x-hulog4.eu/doctoral-school-inno4logistics/>

- All the assignments of fellowships will be publicly stated on the Project website ([www.https://x-hulog4.eu/](https://x-hulog4.eu/)) and will be reported to EC with the assignment of fellowships report.
- Before taking up their assignment, fellows attend a mandatory online meeting dedicated to the project introduction, which is an integral part of the Project.
